teams beat one of my teams, I can't remember what, but I'll vote for you anyway.

SPEAKER WITHEM:    Senator Robak, any closing?

SENATOR ROBAK:    Thank you, Senator Crosby, for that kind comment. I know that you know how resolutions are listened to on the body, but I do...would like to say that it was a repert. Thank you for your comments, but also I have to repeat that it was a great year for the 22nd District with two back-to-back championships in both small schools so...and rated 13th in the nation is no shabby thing anyway. Thank you very much.

SPEAKER WITHEM:    You've heard the closing. The question is, shall LRs 33 and 34 be adopted? All of those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

CLERK:    17 ayes, 0 nays, Mr. President, on the adoption of LRs 33 and 34.

SPEAKER WITHEM:    They are adopted. I would like to announce the Doctor of the Day. Sitting under the north balcony is Dr. Dwight Larson from North Platte, Senator Don Pederson's district. Thank you very much for being with us. Can we recognize the Doctor of the Day, please? Thank you very much for being here. And while the Legislature is in session I would propose to sign and do sign Legislative Resolution 4. Mr. Clerk, introduction of new bills. We'll dispense with that until later in the day. Mr. Clerk, we're moving on to Select File, Select File Revisor's bills, LB 1.

CLERK:    Mr. President, Legislative Bill 1 on Select File. Senator Bruning, I have no Enrollment and Review amendments pending, Senator.

SPEAKER WITHEM:    Senator Bruning.

SENATOR BRUNING:    (Microphone not activated.) ...one to E & R for engrossing.

SPEAKER WITHEM:    Heard the motion. All in favor say aye. Opposed? It is advanced. Mr. Clerk, LB 2.
